MTH 2013 VOLUME-1 PREMIER --- RAILKING --- ACCESSORIES

THANK YOU for your continued support. Last month, READY TO ROLL celebrated its 22nd anniversary which was made possible because of you, our great customers. The MTH catalog can be viewed online at www.mthtrains.com or we will gladly send you one for the cost of postage, \$4.90, while supplies last. As many of you know, manufacturer's production quotas have been scaled back, greatly reducing the numbers of available items with many selling out even before delivery. We would like your pre-orders by the **Nov 30, 2012** deadline, but will make every effort to cover you should you like something after the deadline passes. So please don't delay. As always, we will honor our pre-order pricing policy until product release. We will gladly "Charge & Hold" items to benefit from reduced shipping costs by consolidating them. Items not picked up or paid for within 30 days of notification will revert to full price. We will maintain our "No Deposit Necessary" policy for three-rail item orders based on the principle of trusting the customer to honor their pre-order by accepting the item when it becomes available. Enjoy the catalog, order wisely and to everyone our sincere wishes for a safe, happy, and healthy 2013. Bill, Rick & Jimbo
